8:00 AM to 5:00 PM  
Dynerics Solution Complex  
1004 Explorer Blvd NW  
Huntsville, AL 35806

The **FBI InfraGard Huntsville Members Alliance**, the **Huntsville Police Department**, the **FBI Citizens Academy Alumni Association**, the **Department of Homeland Security**, and the **Federal Bureau of Investigation, Birmingham Division**, are partnering to bring this very important Threat Preparedness Workshop to North Alabama.

The Active Shooter (AS) Preparedness workshop is divided into six modules that include preparedness information specific to Active Shooter incidents, and cover a specific planning step, to better prepare you to develop and implement a plan. The modules are structured following national preparedness guidance, using the national preparedness mission areas to organize the AS topics, and using the FEMA Comprehensive Preparedness guidance to cover the planning steps.

Additionally, the FBI will present an overview of Federal Civil Rights Violations, Federal Hate Crimes Violations, the FBI's Joint Terrorism Task Force (JTTF), and how the FBI Responds to Hate Crimes/Terrorism Threats.

The workshop will close with a question and answer session.

**We encourage you to bring members of your security team, however seating is extremely limited. Attendance is free.**
